Sub: Services provided by NISST to Induction Melting units

Dear Sir,

President Emeritus

GOPAL GUPTA

Cell : 09810055255

gopal@gopalgroup.com

We appreciate the services provided by NISST in the fields of Training of our man power, Energy audits, quality improvement, Safety inspections, Testing of steel etc. helped our member units in improving our productivity, reduction in Electrical Energy per ton of steel, improvement in product quality, creating awareness for safety in the shop floor & helping to create clean environment.

Sr. Vice-Presidents

ASHOK GARG

Cell : 98110 41980

rebycasting@yahoo.com

Energy cost per ton of Steel is becoming very high due to increase in the electricity tariffs. However, we are happy to note that the Institute has helped the industry to tackle the problem related to high power consumption.

SATISH CHAND GOEL

Cell : 09837058188

trikootsteels@gmail.com

Recognizing the tremendous need for quality testing in view of the quality orders issued by the Ministry of Steel, NISST hastaken a timely step by setting up of NABL accredited Testing Laboratories and recognition from BIS for fifteen steel related products at its Mandi Gobindgarh center.

GANESH TIWARI

Cell : 09415052891

ganpatiindsltd.95@gmail.com

The services provided by the entire team of NISST are commendable to improve our operations especially in reduction of our specific energy consumption which is a National saving as well. Hope the services provided by NISST would continue to serve the industry especially SME's of steel sector.
