The Director
The National Institute of Secondary Steel Technology
PB No 92, G T Road, Sirhind Side,
Mandi Gobindgarh – 147301 (Punjab)

Kind Attn. Mr Bagchi

Dear Sir

Re: ENERGY AUDIT CONDUCTED BY NISST

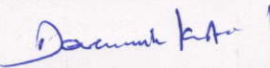

This has reference to the Energy Audit of our factory consisting of Melting Division as well as Rolling Division, conducted by your officials. We have received the report in two parts and our engineers have gone through the same.

The reports have made some very important and relevant observations and have also suggested corrective actions to address the problems observed. We are in the process of making our action plan on the basis of your recommendations.

We would like to take this opportunity to place on record our appreciation of the efforts made by Mr S P Singh, Mr Anil Mohindru and their associates for coming up with an excellent report which we hope, will go a long way in improving our efficiency and also help in cost cutting exercise. We do intend to invite you again at a later date for the vetting of the modifications done on the basis of your suggestions and to discuss the possibility of further improvement in the plant infrastructure and work practices.

Lastly, we extend a very warm invitation to you to visit us at the next opportunity and it will be our pleasure to have you with us in Kashipur.

Thanking you.
With warm regards.
For Kashi Vishwanath Steels Pvt Ltd.
